PREFACE.

We present the first issue of the Medina, Elyria and Oberlin Directory, with the belief that it will be found as nearly accurate as any book of the kind can possibly be.

The growing importance of these Cities demand that their population and business should be represented in this shape, and the compiler expresses the hope that this volume will be the first of a long series.

It depends upon the public spirit of the business men and the patronage they extend to the enterprize, to determine whether the publication shall be continued.

The publisher begs to extend to the subscribers to the present volume, his sincere thanks for their liberality.
